The Whigs of Loudoun county will hold a Grand Mass Meeting, in a beautiful grove about half a mile southwest of Leesburg, to commence on Tuesday the 15th day of October, 1844, and to continue for two days; to which our fellow citizens of Virginia, Maryland, and the District of Columbia, without distinction of parties, are cordially invited. We promise them a reception which shall be in all respects worthy of the Whig County of the Old Dominion.

BILL OF INTELLECTUAL FARE.

B. W. Leigh, W. C. Rivers, J. M. Bots, James Lyons, W. C. Johnson, G. R. Richardson, Chas. H. Pitts, Philip Williams, A. H. Stewart, R. T. Daniel, J. S. Pendleton, Andrew Hunter, and many other distinguished speakers have been invited and are expected to attend.

Ample provisions will be made on the ground for dining the company, however numerous it may be, and at night, the strings of the latches in Leesburg and the neighborhood will all be on the outside.

The ladies are most earnestly solicited to grace the occasion with their presence. A separate table for their accommodation will be spread, and a select committee has been appointed to attend to them.

COMMITTEE OF ARRANGEMENTS.

HEAR A STRAIGHTOUT SPEAK!

TO MY FORMER LOCOFOCO FRIENDS: As I have quit your company, and desire to repair some of the losses incurred by me in 1840, by placing confidence in the *braggings* of the Globe, Richmond Enquirer, and other kindred prints, I offer the following propositions for your consideration: I will bet \$50 that James K. Polk will not get the electoral vote of the State of his *nativity*, North Carolina;

\$50 that James K. Polk will not get the electoral vote of the State of his *adoption*, Tennessee;

\$50 that Henry Clay will get the electoral vote of his *native* State, Virginia; and And \$50 that he will get the electoral vote of his *adopted* State, Kentucky.

The money is ready on application at the Standard office. Come up, ye braggars!

A LOCO IN 1840.

WASHINGTON, Sept. 27, 1844.

SANDS'S SARSAPARILLA.—If we read the history of disorders we are astonished that men live; if of cures we are still more astonished that they die. And yet in fact nearly all diseases have a common origin, viz: in the organs which prepare and modify the blood, and a remedy, directed to the seat of disease, will remove a host of phenomena. It is the peculiar characteristic of Sands's SARSAPARILLA, that its searching operation reaches the causes of disease, and the cures it performs are therefore radical and thorough. The health of the human system depends almost entirely upon the state of the blood. If the vitalizing fluid which pervades every tissue, every membrane, fibre, filament, gland, or other organ, primary or subsidiary—if the body be charged with the elements of disease, sickness must be the consequence, and until the causes of disease existing in the blood, are eradicated, no permanent relief can be expected. It is here that the powerful health restoring properties of Sands's SARSAPARILLA are manifested; and for this reason, in Scrofula, Salt Rheum, and all eruptive diseases, as well as in all derangements of the secretory organs, it is considered infallible.

Prepared and sold, wholesale and retail, by A. B. & D. SANDS, Wholesale Druggists, 79 Fulton st., New York. Price \$1 per bottle; 6 bottles for \$5. Agents for Washington city:—ROBERT FARNHAM, Bookseller, corner of Pennsylvania avenue and 11th street, and R. S. PATTERSON, Druggist, corner of Pennsylvania avenue and 9th street.

CLIREHUGH'S TRICHOPELLOUS, OR MEDICATED COMPOUND, FOR THE CURE OF BALDNESS AND GRAY HAIR. THE TRICHOPELLOUS, or Medicated Compound is now acknowledged by thousands, who use it daily, to be the only remedy to prevent Baldness, and to restore the hair that has fallen off or become thin; to prevent Gray Hair; to cure and remove every appearance of Scurf and Dandruff from the hair, and to keep it in its most healthy, soft, and glossy state.

BALDNESS. Gentlemen whose hair has become thin, or fallen off from natural decay, the effects of fever, or other disease, or what may be termed constitutional predisposition to baldness, will by the use of this compound have their hair entirely restored. If faithfully and regularly applied when the hair first shows symptoms of decay, or after it has fallen off—no matter from what cause, he confidently assures both ladies and gentlemen, that the hair will never be lost, but will be restored to its natural healthy vigor.

GRAY HAIR. At all ages the appearance of gray hair indicates a relaxed state of the nerves and blood vessels connected with the root. Numerous causes tend to influence the change of color—such as study, fright, fevers, long sickness, head aches, too great devotion to business, or the very common practice of wearing the hat within doors.—The progress of gray hair at all periods of life may, if attended to, be prevented, and those hairs that have prematurely changed may be again restored to their original color. To effect this end, it is recommended that at all times and seasons the head be kept cool, the hair cut rather short, the free use of the hair brush, evening and morning, and the application of this compound every evening for a short time will increase the activity of the skin, promote the circulation, and restore the nerves, blood-vessels, &c. to their healthy action. Persevere in this course, and the result is certain.

SCURF AND DANDRUFF. This compound is strongly recommended to keep the head entirely free of all Scurf and Dandruff. Nothing is more injurious to the growth or beauty of the hair, or to a healthy state of the skin. In all cases where the head is subject to it, or where it may have accumulated in the hair, an application will readily remove all appearance of it, and its occasional use will keep the hair clean, soft and glossy.
